By signing the Rental Agreement, the renter agrees to all information and policies included in this document and in the Rental Agreement. NOTE: "The Barre Opera House Usage Policies" is updated annually and is subject to change. Nothing is considered final until a completed and signed Rental Agreement and deposit are received by the Barre Opera House.

### Section 1A: Basic Hall Rental

**Basic Rental Excludes:** Complex Lighting Package (use of 61 or more Instruments, see Section 8: Lighting), Technical Director and stage crew labor, house manager, box office services, marketing and promotional services, security and additional equipment necessary for event.

**Load-In & Load-Out:** If the Renter requires a separate rental period (not contiguous with performance time) for Load-In, Set up or Load-Out, or if a separate rehearsal session is required earlier than four hours prior to the performance, the rates are:

Non-Profit: \$85 for up to four hours plus \$20 each additional hour.  
\$120 all day fee (up to 8 hours)

Commercial \$100.00 for up to four hours plus \$30 each additional hour.

**NOTE:** Heat will be provided at no additional charge during load-ins/load-outs. Air conditioning will ONLY be available during rehearsals and load-ins/load-outs for an additional \$100 fee for up to 4 hours, \$20 for each additional hour. Because this is an additional expense, renters should anticipate their need for AC and inform Opera House staff that they require it in advance of their arrival.

*Separate additional fees apply for technical equipment and personnel necessary for load-in and/or load out. See sections 3 through 8.*

### Section 1B: Performances - Basic Rental

#### Community & Non-Profit Organization Rate:

\$300 for the basic rental up to 200 people attending your performance.

Revised and adopted 6/13

For audiences over 200, add \$1.50 for each ticket sold or issued.

Seating capacity is 645 plus 5 wheelchair locations, so maximum capacity is 650, and maximum rental is \$975 per performance.

ALL people in attendance must have a ticket and be accounted for, regardless of whether they paid for their tickets, received a complimentary ticket, or their affiliation with presenter. If the Barre Opera House Box Office does not handle all tickets, the renter will provide a signed statement regarding tickets sold or issued outside the Barre Opera House and will settle the balance of fees due within 30 days of the show. The Barre Opera House reserves the right to hold a deposit until final settlement.

### Commercial (For Profit) Organization Rate

Commercial renters pay a flat fee of \$975, regardless of attendance.

NOTE: Heat and a/c provided during performances, as deemed necessary by the Executive Director, at no charge to the Renter.

*Separate, additional fees apply for technical equipment and personnel necessary for performances. See sections 3 thru 6.*

### Section 1C: Rehearsals

*Separate, additional fees apply for technical equipment and personnel necessary for rehearsals. See sections 3 through 6.*

### **Dress Rehearsals:**

Maximum attendance by non-performing audience members is twenty persons. If attendance exceeds twenty persons, the event will be considered a performance and billed out to the Renter as such. Whether billed out to the renter or not, the renter is responsible for cleaning up in the hall, lobby and restrooms after each dress rehearsal. The Barre Opera House reserves the right to apply a cleaning fee to the renter's bill if reasonable cleaning of the hall, lobby and restrooms does not occur.

### Section 1D: Second Performance

If there are two performances for a non-profit renter within a 12-hour contiguous period on the same day (i.e. matinee and evening performances, two evening performances, or two student matinees) the lesser-attended performance will be charged a rental rate of 50% its total rate (minimum \$150, maximum \$487.50). Reservations are secured for performance dates when a deposit in the amount of \$300/performance, \$500 for for-profit groups, and a signed contract are received by the BOH Executive Director. Contracts are issued by the BOH Executive Director. Signed contracts must be returned with the deposit within 14 days of their mailing, or they become null and void. Additional rehearsal or performance dates requested after the contracts are signed are subject to availability, and the appropriate fees. If the Renter cancels the contracted event sixty days or less prior to the scheduled performance date, the BOH will retain 100% of the deposit. If the Renter cancels more than sixty days, but less than ninety days prior to the performance date, 50% of the deposit will be retained by the BOH. The Renter agrees to engage the services of the BOH-designated Technical Director and to appoint the BOH as its agent for the purpose of making compensation payments to the Technical Director as applicable, and for the purpose of satisfying the requisite federal and state information reporting requirements with respect to those payments.

The BOH designated Technical Director is required to be present whenever the Renter is in the building. The designated Technical Director will provide hands-on stage supervision and direction for load-in and load-out and all stage uses involving rigging, electric, sound and scenic production needs. The designated Technical Director is billed out to the Renter at \$23 per hour with a minimum 4-hour call applicable. Overtime accrues at time-and-a-half after 8 hours/day and double time after 16 hours/day. The designated Technical Director is required to have at least one 1-hour meal break after every 5 hours of work. If the Renter chooses to, they may – at their own expense -provide the TD with a hot meal, and cut the 1-hour meal break to 30 minutes. If a meal break is not provided after 5 hours of work, the hourly rate for the

designated Technical Director will jump to time-and-a-half until such time as a meal break is given. The designated Technical Director will also handle any necessary pre- and post-production work such as attending production meetings making technical arrangements, pre-hang of lights and restoring to the BOH standard house plot. This time will be billed out to the Renter.

#### **Section 4A: Stage Crews**

The Renter agrees to engage the services of and will bear the total costs of additional professional stage crew for the pre-hang, setting up, running, striking of show and the return of stage facilities to “as is” condition. The Renter also agrees to appoint the BOH as its agent for the purposed of making its compensation payments to the professional stage crew members and for the purposes of satisfying the requisite federal and state information reporting requirements with respect to those payments. The crew members, unless otherwise agreed to in advance by the BOH Executive Director and/or Technical Director, will be experienced professional stage workers chosen by BOH. Such tech personnel are billed out to the Renter at \$15 per hour with a minimum 4-hour call applicable. Overtime accrues at time-and-a-half after 8 hours/day and double time after 16 hours/day. All technical personnel provided by the BOH are required to have at least one 1-hour meal break after every 5 hours of work. If the Renter chooses to, it may – at its own expense - provide the members of the stage crew with a hot meal, and cut the 1-hour meal break to 30 minutes. If a meal break is not provided after 5 hours of work, the hourly rate for the stage crew will jump to time-and-a-half until such time as a meal break is given. On occasion, the BOH may use student trainees to work in lieu of professional stage techs for calls. Their work will be billed out at \$10/hour.

Non-professional stage crews for events presented by community or non-profit organizations may be provided by the Renter under the following conditions:

1. All arrangements for non-professional crews must be approved by the BOH Director or BOH-designated Technical Director, and appear as changes under “SECTION: EXPLANATION” on the Lease Agreement.
2. All activities must be supervised by the Renter’s designated Stage Manager or representative.
3. It is understood that certain stage work cannot be accomplished by non-professionals and therefore will require paid professionals as stated in “Section 4: Technical Direction”.

#### **Section 5: The Flies**

No one is allowed above the stage except the BOH designated Technical Director. If the Renter’s performance requires the use of the BOH flies, trained, professional stage personnel will be required to operate the ropes. The operator may be a non-professional arranged for by the Renter in advance, if approved by the BOH Executive Director or Technical Director and indicated as changes under “SECTION: EXPLANATIONS” on the “LEASE AGREEMENT”. Any non-professional flies operator(s) will require a 2-hour training session with the BOH designated Technical Director, whose time will be billed out to the Renter.

#### **Section 6: Preservation Fee**

All tickets issued for performances at the Barre Opera House will include a BOH Preservation Fee of \$1.00 (\$.50/ticket for performances whose top ticket price is below \$10). The renter must ensure that the total advertised ticket price includes the Preservation Fee. It will be the obligation of the renter to pay the full fee regardless of discounts offers. Payment of the Perservation Fee will be made at final settlement. If the Barre Opera House Box Office does not handle all tickets, the renter will provide a signed statement regarding tickets sold outside the BOH and will settle the balance of fees due within 30 days of the show. The BOH reserves the right to hold a deposit until final settlement. If no tickets are issued for the performance or event or if admission to the event is free, a flat fee of \$100 will billed to the renter within 30 days of the event.

## **Section 7: Administrative Fee**

All technical personnel, including the BOH designated Technical Director and stage crew, outside equipment (non-BOH) rental fees, and special services required by the Renter are subject to a 15% administrative mark-up. This fee covers all bookkeeping charges, postage, pick up and delivery arrangements, phone calls, sub-contracting and bill paying handled by BOH on behalf of the Renter.

## **Section 8: Lighting**

Use of basic work lights and up to 60 in-house lighting instruments are included in the rental of the facility. The Barre Opera House 60 instrument basic lighting package is sufficient for most performances. The use of additional lighting instruments is available for rental at the rate of \$2.00 per lighting instrument for dress rehearsals and performances. The BOH follow spot is available for use at a rate of \$75 per performance day and \$25 per preparation or rehearsal day use. Use of the Barre Opera House's cable and light board will be included at no additional charge. Charges cover equipment use only and do not cover labor costs to move, re-cable and patch, focus or gel equipment to renters specifications.

If a special light plot (using in-house equipment) is required by the Renter, the BOH Executive Director and/or the BOH designated Technical Director will determine crew needs and estimate charges accordingly. Lights must be restored to the BOH standard house plot after the run-of-show and the labor costs to do so will be included in the technical personnel estimate charges. If additional lighting equipment is required, BOH will arrange for pick up, hang, strike and return of this equipment, based on the Renter's needs. All associated fees for equipment rental, transportation, technical personnel and supplies will be billed to the Renter, and are subject to the BOH Administrative Fee. The stage crew will be experienced stage workers, working as paid professionals for the Renter.

Renters are encouraged to provide a light plot at least three weeks in advance of your arrival to give us adequate time to recruit an appropriately-sized crew for the amount of work needed. In some instances, we may be able to provide a lighting designer for you. If the Renter chooses to work with the BOH designated Technical Director, the TD will be paid the usual \$23/hour and the BOH Administrative Fee will apply.

If a renter is using the same light plot for rehearsals and performances for more than 7 days, a 50% discount on lighting fees are charged after the first 7 days.

Non-profit organizations may provide volunteer technicians to assist the BOH designated Technical Director with lighting changes under the following conditions:

**Miscellaneous supplies:** Gel, patterns and tape purchased by the BOH for the Renter’s performance (at the Renter’s request) will be charged to the Renter, and are subject to the BOH Administrative Fee. All such material will be made available to the Renter at the completion of the event.

**Equipment:** BOH sound equipment is available for rent on a sliding scale of \$100- \$500, based on the Renter’s needs. All associated fees for equipment rental, transportation, technical personnel and supplies will be passed on to the Renter, and are subject to the BOH Administrative Fee.

### **Section 12: Smoking Policies**

State fire law prohibits smoking anywhere in the BOH or Barre City Hall building.

### **Section 13: Fire/Safety Codes**

**The use of any and all forms of open flame or pyrotechnics anywhere on BOH property are strictly forbidden by law.** BOH requires written proof that all scenery pieces and props have been treated with a flame retardant. If such written proof is not provided, local fire codes require all “theatrical” uses of the facility be accompanied by a professional firefighter who will be on duty in the theater during all such performances. The presenter will be responsible for paying Barre City Fire Department for the firefighter on duty (\$60/hour). “Theatrical” refers to those events utilizing flying and/or large stationary set pieces constructed of any flammable material, along with costume pieces in flammable materials. The BOH Executive Director and the Barre City Fire Department determine what constitutes a “theatrical” use. The Barre City Fire Department bills the BOH directly and this cost will be passed on to the Renter, subject to the BOH Administrative Fee. The renter, with as much advance time as possible should inform the BOH what their stage setup will include.
